

Arcane Wonders is excited to once again be at Spiel in 2022 and we can't wait to share out new releases with you in Hall 1 – Booth 1C135!

First up we have the 3rd expansion for last year's hit game Picture Perfect – The Sherlock Expansion. Taking the setting from a party to murder mystery! Someone has been murdered and Sherlock Holmes is investigating during the wake. Will you use the information you gain from guests to help Sherlock or help the criminal escape?

Next up we have the stand-alone expansion follow-up to last year's Critters At War – Flies, Lies & Supplies. New creatures join the battles in this alternate version of Air, Land & Sea: Spies, Lies & Supplies!

Team JNPR joins Team RWBY in the newest expansion for 2018's RWBY: Combat Ready. Add Juane, Norah, Pyrrah and Ren to your teams and battle the forces of Grimm!

Last year was a big year for us with the release of the highly anticipated game Furnace. And what's better than Furnace? More Furnace! Coming in the form of Furnace: Interbellum. The game now expands into the 1920's and 1930's, the interwar period known as the Interbellum. In this expansion comes new Company cards and Capitalists, new abilities, and Managers. Included as well are new Agents for solo and 2 player games and new components to add a 5th player to your game!

Finally, we are please to unveil for the first time anywhere the next game in the Dice Tower Essentials line – Dice Manor. World-renowned property developers Mundane Manors Inc. are tired of making the same old boring "dream" homes! The corporate suits are looking to rebrand, and they've challenged you, their designers, to dream BIG and create the most lavish homes ever imagined. Bid on new rooms for you home and decide where to place them all in the hopes of showing the manor to the most people in your final tour!

We can't wait to see you at the show!
